

WARRAGUL PRIMARY SCHOOL

Be Safe, Be Fair, Think, Learn and Care

Dear parent/guardian,

Warragul Primary School is looking forward to another great year of teaching and learning and would like to advise you of Warragul Primary School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Some examples of what your contribution has supported Warragul Primary School to do are:

- Continue to provide each student with a personal iPad or notebook in the classroom and continue to upgrade our student digital technology,
- Update our hands on resources for mathematics, science and technology,
- Continue to update our sports and play equipment,
- Update classroom reading libraries across the school,
- Provide specialised art materials in our art classes,
- Provide personal online subscriptions for each child in mathematics, literacy and Seesaw,
- Maintain and develop the school grounds and buildings. Eg. Stables repair and painting project, carpeting the gym building, whole school lighting upgrade.

Every effort has been made to keep costs of book packs and Curriculum Contributions to a minimum. With the increased use of technology, teachers have been able to go through book packs in detail and remove items to reduce the items required in the book packs. Teachers have also gone through the curriculum contribution costs and reduced these where possible.

There are two steps to providing resources for your child for next year:

1. Parents supply a book pack. Either purchased through Maxim (see information on page 2) or sourced by parents
2. Curriculum contribution paid directly to Warragul Primary School either by direct deposit, cash, eftpos or Compass.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Scott Clode, Principal

Warragul Primary School Council
